“Being a Haynes and Boone diversity scholar was a great opportunity that allowed me to clerk at the firm as both a 1L and 2L and forge lasting relationships with future colleagues and mentors. The Haynes and Boone Diversity Program is a testament to how truly committed this firm is to diversity, and enhancing minority representation in our profession.”

“Being selected as a Haynes and Boone diversity scholar gave me opportunities I otherwise wouldn’t have had. Being able to clerk for Haynes and Boone as a 1L and a 2L, I was able to try out a variety of work in different sections, which helped me choose the practice area best suited for my interests and personality. The lawyers I met in every section were not just smart lawyers, but also patient mentors and great people. Haynes and Boone’s culture stands out among peer firms, which is why I am still happily working here after 10 years.”
